### TO ALL PARTIES OF INTEREST:

In over 50 years in the insurance field, I have not known a more effective attorney than Mr. McHaney. His competency, commitment and efficiency give me confidence that he can handle my company's claims across the entire State of Texas. I can count on Mr. McHaney to aggressively pursue those claims worth pursuing and quickly evaluate claims that will not be cost effective. I only wish he was licensed in more states.

Mr. McHaney handles not only subrogation recoveries but is regularly engaged by Mid-Continent Casualty Company as defense counsel on legal matters relating to General Liability Policies. Without reservation, Mr. McHaney has my unqualified recommendation.

Very truly yours,

MID-CONTINENT CASUALTY COMPANY
